Professional, Personal and Service Profile:

Dr. Dhaya Nandipamu is currently an Associate Professor and a full-time teaching faculty member, educating the undergraduate and graduate nursing students at Washington Adventist University (WAU) located in Takoma Park, Maryland. Additionally, she serves as the Associate Director of the Nursing Program at WAU. Blessed with a wide-ranging experience as a bed-side registered nurse, primary care nurse practitioner, and as classroom and clinical teacher, both in India and the USA, she deems nursing her calling and teaching her passion. Nandipamu has received a Doctorate in Nursing Practice, specializing in Leadership and Management in Nursing from Marymount University, Arlington, VA. She has received a post master's degree as a family nurse practitioner from Coppin State University, Baltimore, Maryland. She earned her master's degree – in Psychiatry and Mental Health Nursing- and her BSN from Christian Medical College, Vellore, India. She is a Nationally Certified Critical Care Nurse (CCRN) and a Certified Nurse educator (CNE).

A proud daughter of Dr. and Mrs. Selvaraj Muthiah, now retired SDA ministers residing in India, she, along with her husband, Prasad Nandipamu are blessed with two children in college – daughter Jessica and son Jesson. Involved with the Southern Asian Seventh-day Adventist Church as a member since 2003, she has served that church in diverse church ministries. Currently, at the church, she functions as the Health and Temperance Director, Adult Sabbath School lead teacher, and as a deaconess.
