Church and Community

HopeSide Community Church extends a hearty welcome to all those who are present here today. First time visitors are especially welcome. Please feel right at home and let us know how we can serve you! Kindly sign in our Guest book as well.

Please visit our website Hopeside.org often to keep up to date with the events and programs that aim to promote the well-being of self and society. Email us with your contact information so we can communicate with you on a regular basis.

Edwina Neely has been with HopeSide since it started on Sept. 3, 2011. Her husband Pr. Bill Neely preached the very first sermon at our church. She most recently worked as a teacher and in other capacities in the Potomac Conference of Seventh-day Adventists and is now retired. Her specialty is in health, relationships and family matters.

The first week of the month is focused on Social Matters. Here’s a quote to reflect on this theme: *“Don’t compare the outside of someone else’s relationship with the inside of yours. Comparison is the thief of joy.”*

Free training courses are offered for learning music and computers on Thursday evenings starting at 6pm. Visit hopeside.org/train to know the latest details. You may take a flyer and distribute as an outreach gesture.

Upcoming/Ongoing Events/News:

Please remember the following in your prayers so that they can be healed completely: Pratik, Mrs. A.I. John, Sis. Neerija, and Bro. Dudley P.

Today, Nov. 4, starting at 5pm, there will be a **fundraiser concert** at HopeSide to raise funds for LaDonna’s Medical Treatment. Please come and show your support and you may invite others. Ms. Ladonna has been facing many problems for which she does not have the adequate resources to fund the medical treatment portion. A potluck meal will follow in the Fellowship Hall. You may bring any vegetarian dish of your choice. Kindly support her in any way you can at this link as well:

Please Note:

HopeSide is primarily outreach driven and is a training ground for anyone to “pastor” and “pasture”. We request your understanding and support when various program elements may not always fall into place from week to week. Your feedback to improve is welcome. Thank you.
