

*Heartland Institute of Financial Education (HIFE)  
College Coaching Program*

A college degree is one of the best investments you can ever provide for your child. Knowing how much to save, where to save, and how to save is just a start. The best time to take your first steps towards developing a college plan is when your child takes his/her first steps. We invite you to attend our 1 hr class on our College Coaching Program to learn more about:

- Facing The Challenges With College Planning
- Common Mistakes Most Parents Make
- Understanding The Basics Of Financial Aid
- Federal Methodology Formula
- How the HIFE College Planning Program Will Bring Value To YOU!
- Career exploration & guidance
- Importance Of Selecting The Right College
- College Selection Considerations
