Welcome to HopeSide!

We are glad to meet you!

At HopeSide, we strive to promote caring relationships most of all.

HopeSide means "Hope On Your Side."

In fact, our mission statement is:

"Sharing Hope On Our Side."

In the pursuit of a life that is fulfilling and meaningful, there are many possibilities to choose from, and many challenges to overcome. Our main purpose at HopeSide is to present FOUR simple steps for your consideration so that you can find real meaning and happiness in this life and beyond. These steps encompass the MIND, BODY, SPIRIT and COMMUNITY. Each step is presented every week and repeated every month throughout the year in a manner that is engaging, uplifting and informative with the objective of helping anyone make progress in every facet of living.

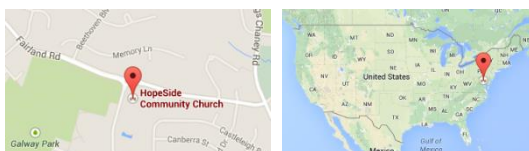

What to expect in our weekly services:

We strive to promote a very inclusive, upbeat and friendly atmosphere in our services. We are Jesus centered and multicultural, presenting the whole truth of God's word, the Bible. Music is contemporary yet inclusive. You are family at HOPESIDE no matter your background. All are encouraged to use their abilities to enhance the well-being of self and society. See you at HopeSide!
