## “No Place”

### *A Message for our time*

**A very warm welcome** is extended to all those who are here today for a very special Christmas celebration. HopeSide Community Church is honored to co-host this year’s Christmas service along with other Church groups that span many backgrounds. As we worship together, may we experience and share the blessings God has in store for us.

#### **Message**

Luke 2:7 (**Hollman Christian Bible & English Standard Version**)

**“Then she gave birth to her firstborn Son, and she wrapped Him snugly in cloth and laid Him in a feeding trough** - because there was no place for them in the inn.”

He is the Creator, Sustainer and Savior of the world, and yet there was no place for Him to be born on earth except a manger or a “feeding trough”. Man has had no place for God to dwell fully in the heart before He was born or after He was born in a manger. Therefore, mankind continues to suffer. As long as there is “no place for Jesus” to dwell fully in our hearts, we will be lost. When we make place for Jesus, He is ready to feed us, fill us, and prepare us for an eternal place in heaven.

*Offerings: We are grateful for any financial support that is offered. You may place your offerings prior to the offering collection time in the offering plates or box located at the entrance on the welcome table. If you write a check, please write to “HopeSide Church” and you will be sent a tax deductible receipt in the mail. Thank you.*

***Wishing you and your families a joy filled Christmas and a Happy 2018!***
